

FOURTH INSIGHT FILM FESTIVAL

The Insight Film Festival presents a unique collection of films from all over the world. Made by film makers of all faith backgrounds and none.

Expect a weekend of stimulating screen images, content rich, shocks, provocation, animation, suspense, drama, fast moving, slow and pensive, film, documentary. All used in the exploration, presentation or discussion of a subject that can be hard to see. Join the discussions, workshops, screenings, Q+As with film makers, surprises and a glittering awards ceremony.
